

**REMARKS**

The foregoing amendment amends the title to better describe the invention and it is respectfully requested that the amendment be entered.

**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

The Notice of Allowability mailed November 6, 2006 included a statement of reasons for allowance. The reasons for allowance characterize the claimed invention using language not recited by the claims and cite particular claim elements as not taught or suggested by the prior art of record. To the extent that the Examiner's reasons for allowance suggest or state that certain limitations or combinations are not found in the prior art and are present in each and every claim whether or not specific language to that effect is found in every claim, it is noted that "the record as a whole" must be considered as a supplement to the statement of reasons for allowance, and to the extent that the record is clear and complete, it shall control the interpretation of any and all claims.

Respectfully submitted,
